Dispersion and interface chemistry

Topical meeting in the Danish Ceramic Society

Venue *HH Koch Auditorium,
DTU, Risø Campus, Frederiksborgvej 399, 4000 Roskilde*

Time and date: *18th December 2013, 9.00 – 13:00*

Registration and fee:

	<i>Members</i>	<i>Non members</i>
<i>Meeting with coffee break and lunch</i>	<i>300 kr</i>	<i>500 kr</i>
<i>Meeting without lunch</i>	<i>150 kr</i>	<i>350 kr</i>

Please register by mail to: kagn@risoe.dtu.dk (Ph.: 4677 5722) through 13th December

Please transfer the meeting fee to giro 478728, bank account in Danske Bank, 1551 4787285 or pay cash at the meeting.

9:00 **Welcome**

Karsten Agersted (DTU)

9:05 **Measuring the Zeta-potential in concentrated slurries**

Henrik Fordsmand, Haldor Topsøe, A/S

9:30 **Stability studies on ceramic suspensions using complementary analysis techniques**

Michela Della Negra, DTU

10:00 *Coffee break*

10:30 **Stabilisation and destabilisation mechanisms of colloidal systems**

Anders Larsson, SP (former YKI), Sweden

11:30 **Interface chemistry in reinforced polymer materials**

Kristoffer Almdal, DTU

12:00 **Lunch**
