

Danish Ceramic Society annual meeting 4 June 2024

Focus topic: ceramic membranes

**Network with others working with ceramics in Denmark,
learn more about ceramic membranes and visit lab
facilities at DTU Energy!**

Presentations from LiqTech, Cembrane, Landson Advanced
Ceramics, DTU Energy, Aalborg University & the winner of
the DAKS PhD Prize 2023. Posters & lab tour

DAKS
Dansk Keramisk Selskab

4 June 2024, 10-16, DTU Lyngby campus.

Sandwiches, coffee and refreshments will be served. You are
welcome to bring a poster showing your own ceramics-related
activities. Registration fee: DAKS-members and students free
of charge, others 500 DKK

Sign up latest on 21 May by email to keramikselskabet@gmail.com
